StarTech.com

Spec Sheet

The StarTech.com Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

4U Black Rackmount PC Case with 450 Watt P4 Power Supply

StarTech ID: RMC4450

Keep your rackmount PCs protected from dust and damage with the StarTech.com RMC4450, a 4U rackmount case for industrial PCs or servers. The 1mm steel chassis provides a rugged, dust-free enclosure while allowing a superior airflow for reliable, stable operation in harsh environments. With a reliable 450W Pentium 4-compatible power supply already installed, the RMC4450 will keep your PCs and servers running smoothly even in the harshest industrial environments.

Applications and Solutions

> Industrial automation control PCs
> Industrial servers
> Industrial workstation PCs

Features

> 12cm fan with air filter provides plenty of clean air circulation
> A reliable 450 Watt Pentium 4 compatible power supply provides plenty of power to system components
> Adjustable I/O card holders prevent cards from becoming unseated in their slots
> Full front panel lockable protective door
> Rugged 1mm SECC steel construction
> Temperature and fan failure LEDs warn of possible impending system failure
